

Ellen Gelbin Is Accessible and Available

Ms. Gelbin is a full-time mediator, thus:

- She is more readily available by telephone for scheduling mediation sessions;
- She has more dates and times available for mediation sessions; and
- She provides a user-friendly, self-serve, online calendar and scheduling system.

“Ellen’s calendar is always accessible online. We control our own scheduling by electronically reserving our mediation sessions. She confirms our sessions by U.S. Mail the next day and returns our calls within 24 hours.”

Creating Solid Foundations

ELLEN R. GELBIN Attorney-Mediator-Arbitrator

AV Peer Review Rated by Martindale-Hubbell

“Ellen can talk common sense and effectively convey the inherent risks of going to trial. She knows how to handle a plaintiff with unrealistic expectations, without stepping on counsel’s toes.”
