Mrs. Ittig is an experienced arbitrator and mediator. She does ad hoc arbitration and mediation and is most active on CPR's and AAA's national construction and commercial panels of arbitrators and mediators and the ICDR's international panel of arbitrators and mediators.

As a mediator, Mrs. Ittig has assisted parties in reaching settlements in every category of dispute that arises in construction. She has also settled a large number of commercial disputes, such as those involving buy/sell agreements, joint ventures, franchising and business organization problems as well as disputes among private business and public entities.

Examples of mediated disputes, many of which involve multiple parties:

- Top Secret Federal Installations
- Historic Buildings
- University Microbiology Center
- Mergers and Acquisitions
- Hotel Construction
- Overseas Consulate Construction
- Insurance Coverage Issues
- Public Utilities, including Water and Sewage Treatment
- Luxury Retail
- Shopping Centers
- Garages and Storage Facilities
- Civil Works - Roads and Bridges
- Schools and Athletic Facilities
- Parks and Recreational Facilities
- International Airline Construction
- Federal Buildings, NASA Installations and Military Bases
- Food Manufacturing Facilities
- Crane Collapse
- Government Service Contracts
- Hospitals
